ORGANIZATION OF CITY GOVERNMENT

Tuesday, March 23, 1920.

At ten o'clock in the forenoon of the above date, members-elect of the city council for the municipal year of 1920 and the members from the previous council met for organization at the city council room agreeably to the provisions of the city charter.

The oath of office was administered to the mayor-elect, Hon. John A. Mitchell, by the Mayor, pro-tem, William D. Veazey, Esq.

The Mayor administered the oath of office to the following councilmen-elect, viz.:

Ward 1—Philip J. Holahan.

Ward 2—Fortunat E. Normandin.

Ward 3—George E. Stevens.

Ward 4—James A. Payson.

Ward 5—William D. Veazey.

Ward 6—George A. Collins.

Prayer was then offered by the Rev. John L. Shively, after which the mayor delivered his inaugural address.

INAUGURAL ADDRESS

Of Hon. John A. Mitchell, March 23, 1920.

Gentlemen of the Council:

In accordance with the law and custom we have met here today to start in motion the machinery which will run the business of the city for the ensuing year.

We have two new faces among us, Councilman Holahan from Ward One and Councilman Payson from Ward Four, and I extend to them a hearty welcome, the rest of the council is composed of members who have had many years of experience in city affairs and who have made a good record for service, so it seems to me we start out with a strong working force.

The government of a city is a co-operative enterprise, its only purpose should be the common good of its people, and on its success depends the happiness and well being of those who live under it.

The importance of the city government to the people is steadily growing, its activities are expanding and is sure to continue, and as a result of this expansion and rising costs the people will be called upon for larger contributions in the way of taxes in the future, and the return that will be expected is the service rendered the people. If through proper management the return in service is adequate the increased expenditure will be a good investment. We have all taken our oaths to work only for the best interests of the city and it is up to us to see that the business for the coming year is done in an economical and sound business way.

I wish at this time to thank the retiring members of the council for the many courtesies they have extended to me during the past year and for the faithful work that they have done. Our association has been of a very pleasant nature. To the members who have been returned I would say if the work of the past is any criterion the coming year will be if possible a greater success. Harmony has prevailed in all of our meetings, and the attendance at the meetings has been good.

I am not going to weary you by going into all the details of the work accomplished by the different departments or the many things that the city needs. The reports of the heads of the several departments which will be in the city report when issued, will furnish that. There are a few things, however, which I should like to speak of at this time.

STREET DEPARTMENT.

Although working under many adverse conditions, such as high cost of labor and material and very poor delivery, the department has done a lot of good work the past year.

The work of extending the Perley Canal Conduit, thereby doing away with the Beacon St. Bridge and making several thousand feet of land available for building purposes, was a job that we are all proud of. The work was done by our own people, the cost being much less than by contract, and the work done in a much more thorough manner, and when completed in the early summer, Canal Street will be one of our principle thoroughfares.

Fair Street from Court Street to the Railway was paved with bituminous macadam and the drains relaid, a much needed improvement as the heavy traffic that passes over it made the street almost impassable in the spring.

We have sixteen bridges which are mostly in good repair, the exception being the Main Street bridge, which requires constant attention and is not considered safe by the City Engineer for very heavy traffic. Without doubt it will have to be replaced by a reinforced concrete bridge in the near future.

We were unable to complete the Weirs Boulevard on account of poor delivery of the crushed stone, and not enough has yet been received to complete the job, the grading, installation of culverts, building guard rails, enlarging the bridge at Langley's Cove, and changing some of the electric car track has been done. However, as the Federal Government and state are also interested in the work, a new contract will have to be made to complete the work.

With the increased cost of everything that enters

into new road construction, it would seem unwise to think of doing much in that line the coming year. We have a large area of roads already laid that must be repaired to keep them up to the proper standard.

More sidewalks were laid than for some time and they were very much needed, especially the crushed stone sidewalk at Lakeport from Clark Ave. to the Bay-side Cemetery. People who lived in that section and those who walked to the cemetery were obliged to walk in the road, and as the traffic in that locality is very heavy, it was extremely dangerous.

The turn of the road at the corner of the Bayside cemetery should be fixed. Several accidents have already happened here, generally from overspeeding. However, the turn is confusing in the night to a stranger and I hope that something will be done to relieve the situation.

FIRE DEPARTMENT.

The fire department has kept up to its usual high standard during the past year.

The fire truck has been thoroughly overhauled and repainted during the time we were unable to use it on account of the deep snow, and is now in first class condition and it has proved to be one of the best investments the department ever made. Cities who have made a careful comparison of the cost of upkeep of horse and motor drawn apparatus, say that the balance is very much in favor of the motor drawn, and I hope before long to see the whole equipment motorized.

Our heater at the central station has proved to be a complete failure the past winter. It is antiquated, a big consumer of fuel and does not heat the building. Several days during the winter it was impossible to keep the apparatus from freezing, a condition that is not good business.

I recommend that a cellar be dug in the first section and a steam heater installed, capable of heating the building to such a degree that all danger of spoiling the apparatus by freezing may be avoided.

A well equipped department is essential for good work, and I know that the people will only be satisfied with the best.

LEGAL.

During the past year there has been no suits brought either by or against the city.

A large number of questions have arisen during the year demanding legal opinion, which have been ably attended to by Solicitor, Theo S. Jewett.

The case of the city against Mrs. H. C. Wells to determine the street line next to her residence was won by the City and the line was established by the court.

One of the outstanding things in the affairs of the city was the "Welcome Home" celebration of our Soldiers, Sailors and Nurses.

A splendid parade was made in the morning, followed by exercises in the Square. An elaborate shore dinner was enjoyed at Lake Shore Park and a big display of fire works and band concert at the Weirs in the evening.

Later in the season three beautiful bronze tablets were erected on the library lot and dedicated in memory of those who paid the supreme sacrifice and in honor of those who were willing to risk their lives for their country.

The city has been honored by the formation of the first Post of the American Legion to be instituted in the state, Frank W. Wilkins Post No. 1, which has a large and good working membership.

The Post stands for 100 percent Americanism and will be a power in national affairs in future years.

Less money was appropriated for victory gardens last year than before, and we find that the interest in them is on the wane as the farmers have planted more acreage and supplied the market better.

I recommend that the plowing of the play ground for gardens be dispensed with and that it be sowed down so that the increasing number of children who use the grounds may be given a larger space for pleasure and recreation.

A working plan of the Park has been made by the City engineer and hereafter all improvements must conform to this plan. Before much can be done it will be necessary to lay a drain running the whole length of the grounds. This is not only necessary because the

deed of the land makes the maintenance of a drain obligatory but because the natural drainage of the surrounding land is through this area.

You will find the report of the supervisor of gardens in the city report, and I fully coincide with his views.

It was my privilege to visit the exhibit of the work done by the Mechanics Art Department of our High School in the Armory, a short time ago, and I was simply astonished at the work that had been done. It was splendid and reflects great credit on the teachers as well as the students. It seems to me that too much encouragement cannot be given along this line.

The general work of the schools which was also on exhibition, was worthy of great praise.

I hope that the several departments will use great care in making up their appropriations and then do their utmost to keep within them.

We will have a great many calls from all parts of the city for work to be done, and it is up to you to see that work is laid out in such a way as will do the most good to the greatest number.

As you know we have had an unusual hard winter and the handling of the snow will cost the city several thousand dollars more than in an ordinary winter, and in view of the constantly increasing costs it behoves us to carefully consider each item so that it can be said of the administration of 1920 it was a sound and economical one.

Gentlemen we will now proceed to the business of the session.

MUNICIPAL ELECTIONS

For Payment of Bills Against the City

All bills against the city must be approved by the persons authorizing the charge; and unless this is done, no action can be had upon the bill by the committee on accounts and claims, and no order will be given for its payment.

When bills are certified to as above, and left with the city clerk not later than Thursday at 12 o'clock m., preceding the last Monday of each month, they will be audited by the committee on accounts and claims, and if approved by them and allowed by the council, will be ready for payment on the following Wednesday, at the office of the city treasurer.

Meetings of the committee on accounts and claims are held on Friday preceding the last Monday of each month at 7.30 o'clock p. m., at the city clerk's office.

CITY GOVERNMENT

LACONIA, N. H.

Inaugurated fourth Tuesday of March, yearly. Stated meetings: The last Monday of each month, at 7:30 o'clock p. m., at city council room, Masonic Temple, Main Street.

1920

Resolutions

RESOLUTIONS

In the Year of our Lord one thousand nine hundred and twenty.

A RESOLUTION authorizing the City Treasurer to hire money in anticipation of taxes.

Resolved by the City Council of the City of Laconia, as follows:

That the City Treasurer be and he is hereby authorized to incur debt for a temporary loan and issue the note or notes of the city of therefor to an amount not exceeding \$80,000.00 in anticipation of the taxes of the present municipal year. The said note or notes shall be signed by the Mayor and Treasurer and countersigned by the City Clerk and shall be payable within one year after date of their issue.

The said debt is hereby expressly made payable from the taxes of the said municipal year.

Passed and approved March 23, 1920.

JOHN A. MITCHELL,
Mayor.

In the Year of our Lord one thousand nine hundred and twenty.

A RESOLUTION exempting from city taxation property of the Granite State Needle Company.

Resolved by the City Council of the City of Laconia, as follows:

Whereas, the Granite State Needle Company, a corporation duly established under the laws of the State of New Hampshire, is planning upon the establishing in said Laconia of a new manufacturing enterprise, and

whereas said business will require new machinery and equipment, and furnish employment to a large number of persons, and be of financial benefit to the City of Laconia;

Now therefore, be it resolved, that the city exempt from its city taxation, the real and personal property, or both, which said Granite State Needle Company, shall acquire, use or put in operation, for the term of five years from April 1, 1920. The taxes exempted by this resolution do not include the state and county taxes assessed against said property.

This resolution shall take effect upon its passage.

Passed and approved June 29, 1920.

JOHN A. MITCHELL,
Mayor.

In the Year of our Lord one thousand nine hundred and twenty.

A RESOLUTION relating to the laying of certain electric power wires by the Laconia Gas and Electric Company.

Resolved by the City Council of the City of Laconia, as follows:

That the Laconia Gas and Electric Company be licensed to erect a temporary line of wire upon its poles as now located from the mills of the Belknap Mills Corporation on Mill Street in said City of Laconia, to the manufacturing plant of the Granite State Needle Company on New Salem Street in said Laconia, PROVIDED that the location of such line of wire on said poles shall not in any way conflict with Chapter 22 of the ordinances of the City of Laconia, or any other ordinance relating to fire alarm construction, this license

being revocable at any time by the City of Laconia, without notice and with no liability to said City of Laconia by reason thereof.

By the granting of this license for the erection of a temporary line of wire it is expressly provided that said City of Laconia assumes no liability whatsoever for any loss, cost or damage to any person, firm or corporation for damage to persons or property by reason thereof, but any loss, cost or damage occasioned to any person, firm or corporation, or in any way or manner whatsoever shall be borne by said Laconia Gas and Electric Company.

Passed and approved June 29, 1920.

JOHN A. MITCHELL,
Mayor.

In the Year of our Lord one thousand nine hundred and twenty.

A RESOLUTION raising money by taxation for the year ending February 15, 1921.

Resolved by the City Council of the City of Laconia, as follows:

That there shall be raised and there is ordered to be raised on the polls and the estate liable to be taxed within said city, the sum of two hundred twenty-nine thousand five hundred eighty-five and eleven one hundredths (\$229,585.11) dollars to defray the necessary expenses and charges of the city for the financial year ending February 15, 1921.

Passed and approved July 2, 1920.

JOHN A. MITCHELL,
Mayor.

In the Year of our Lord one thousand nine hundred and twenty.

A RESOLUTION making appropriations for the year ending February 15, 1921.

Resolved by the City Council of the City of Laconia, as follows:

That the following appropriations be made for the year ending February 15, 1921, which appropriations shall be in full for all expenditures in each department named:

Passed and approved July 2, 1920.

JOHN A. MITCHELL,
Mayor.

In the Year of our Lord one thousand nine hundred and twenty.

A RESOLUTION appropriating money in repayment of taxes assessed in error against Crane Manufacturing Company.

Resolved by the City Council of the City of Laconia, as follows:

That the sum of one hundred seventy and eighty one hundredths (\$170.80) dollars be and the same is hereby appropriated to repay taxes assessed in error against The Crane Manufacturing Company, for the year 1919; and the Mayor is hereby authorized to draw his warrant for the same.

Passed and approved July 26, 1920.

JOHN A. MITCHELL,
Mayor.

In the Year of our Lord one thousand nine hundred and twenty.

A RESOLUTION making an appropriation for the purchase of land located on Main and Center Streets for Park and Play Ground purposes.

Resolved by the City Council of the City of Laconia, as follows:

That the sum of Twenty Two Hundred (\$2200.00) dollars be and the same is hereby appropriated for the purpose of purchasing a lot of land, known as lots 9, 10, 11, 36 and 37 of Avery Field so called, and located on Main, Center and Park Streets, for park and playground purposes, and the Mayor is hereby authorized to draw his warrant on the City Treasurer for the payment of the same; and the Mayor is hereby authorized to issue the note of the City for said sum of twenty-two hundred (\$2200.00) dollars to provide for the pay-

ment of said hereinbefore mentioned sum, said note to be signed by the Mayor and City Treasurer, and to be for a term not exceeding one year from its date and at a rate of interest not exceeding six percent.

Passed and approved September 27, 1920.

JOHN A. MITCHELL,
Mayor.

In the Year of our Lord one thousand nine hundred and twenty.

A RESOLUTION construing, explaining and defining the layout of New Salem Street.

Resolved by the City Council of the City of Laconia, as follows:

Whereas, the Selectmen of the town of Laconia on November 17, 1891 layed out New Salem Street in said Laconia and made an award of damages to property owners whose property was included within the layout of said street, and

Whereas, included in said award of damages was the following: "Mr. John O'Shea, Fifty Dollars, with the recommendation that the portion of his building within said street should not be disturbed. In making his award we considered the above" and

Whereas, the said building formerly of said John O'Shea, referred to in said award has ever since remained as located at the time said New Salem Street was layed out without objection on the part of the City of Laconia or of any person, and

Whereas, it is understood by all parties interested that the said sum of Fifty Dollars awarded to said John O'Shea was not intended or considered to be compensation to him in case he should be obliged to move said building, but that it is understood and admitted that

be was to be allowed to keep and maintain said building as it was located at the time of the said laying out of said New Salem Street and as it has ever since been located, and

Whereas, the wording of said layout is indefinite, uncertain and ambiguous,

Now, therefore, be it resolved by the City Council of the City of Laconia that the award of damages to said John O'Shea included in said layout and in the same expressed as follows: "To Mr John O'Shea Fifty Dollars with the recommendation that the portion of his building within said street should not be disturbed. In making his award we considered the above," be construed and defined to mean that so long as said building shall be and remain in existence the owner of the same shall not be required or compelled to move the same back to the legal line of said New Salem Street from its present location without being paid full and adequate damages, but that should any new structure be erected in place of the building now standing, such new structure shall not encroach upon the limits of said New Salem Street.

Passed and approved November 29, 1920.

JOHN A. MITCHELL,
Mayor.

In the Year of our Lord one thousand nine hundred and twenty.

A RESOLUTION authorizing the City Treasurer to hire money in anticipation of taxes.

Be it Ordained by the City Council of the City of Laconia as follows:

That the City Treasurer be and he is hereby authorized to incur debt for a temporary loan and issue the

note or notes of the city of therefor to an amount not exceeding \$60,000.00 in anticipation of the taxes of the present municipal year. The said note or notes shall be signed by the Mayor and Treasurer and counter-signed by the City Clerk and shall be payable within one year after date of their issue.

The said debt is hereby expressly made payable from the taxes of the said municipal year.

Passed and approved November 29, 1920.

JOHN A. MITCHELL,
Mayor.

In the Year of our Lord one thousand nine hundred and twenty-one.

A RESOLUTION appropriating the sum of one thousand dollars for suppression of Gypsy Moths for the fiscal year of 1920.

Resolved by the City Council of the City of Laconia, as follows:

That the sum of one thousand (\$1000) dollars be and the same is hereby appropriated for suppression of Gypsy Months, for the fiscal year of 1920.

Passed and approved February 14, 1921.

JOHN A. MITCHELL,
Mayor.

In the Year of our Lord one thousand nine hundred and twenty-one.

A RESOLUTION appropriating the sum of twenty-six and forty one hundredths dollars for reimbursement of taxes assessed in error.

Resolved by the City Council of the City of Laconia, as follows:

That the sum of twenty-six and forty one hundredths dollars be and the same is hereby appropriated for reimbursement of taxes wrongfully assessed as follows:

To Emeline Smith the sum of \$14.64 in repayment of taxes wrongfully assessed for the year of 1919;

And to Edith L. Wakeman Chase the sum of \$11.76 in repayment of taxes assessed in error on a boat valued at \$150, for five years viz: 1913, \$2.32; 1914, \$2.32; 1915, \$2.32; 1916, \$2.40; 1917, \$2.40; And the Mayor is hereby authorized to draw his warrant for the same.

Passed and approved February 14, 1921.

JOHN A. MITCHELL.

Mayor.

In the Year of our Lord one thousand nine hundred and twenty-one.

A RESOLUTION authorizing the issuing of a note as security on trust funds.

Resolved by the City Council of the City of Laconia, as follows:

That the Treasurer of the City of Laconia be and is hereby authorized to make and execute a note to the Trustees of Trust Funds for the City of Laconia, for the sum of sixteen thousand seven hundred sixty-five (\$16,765 dollars and twenty-seven (.27) cents, said note to be dated February 15, 1921, and be due and payable twelve months from date and bear interest at the rate of four per cent per annum, the said sum being the amount held by said City as Trust Funds, the income to be expended in care of various cemetery lots.

Passed and approved February 14, 1921.

JOHN A. MITCHELL.

Mayor.

In the Year of our Lord one thousand nine hundred and twenty.

AN ORDINANCE in amendment of Chapter 6, Sec.

6, of the Revised Ordinances, Entitled, Tax Collector and collection of taxes, as amended by an ordinance passed and approved August 27, 1917.

Be it Ordained by the City Council of the City of Laconia as follows:

Section 1. Amend Chapter 6 of said Ordinance as amended by striking out the whole of section 6 of said Chapter as amended and inserting in place thereof the following:—Section 6. The collector of taxes shall receive for his services for collecting all the taxes of each year and performing all the duties appertaining to his office, the sum of fifteen hundred dollars, the same to be paid in equal monthly payments of one hundred and twenty five dollars each. PROVIDED that said tax collector may be allowed to have an assistant who shall be paid not over one hundred and fifty dollars per year.

The official year shall be, for the purpose of this ordinance the first day of July of the year¹ following his appointment, upon a full and complete accounting, either by collection, sale or abatement, of all taxes committed to him for collection.

Section 2. This ordinance shall take effect from and after April 1, 1920.

Passed and approved June 29, 1920.

JOHN A. MITCHELL,
Mayor.

In the Year of our Lord one thousand nine hundred and twenty.

AN ORDINANCE in amendment of Chapter 19, Sections 9, 10, 13 and 14, Entitled Salaries of Board of Health, Board of Assessors, and Ward Officers.

Be it Ordained by the City Council of the City of Laconia as follows:

Section 1. Amend Chapter 19 of said ordinance by striking out the whole of sections 9, 10, 13 and 14 and inserting in place thereof:— so that Sections 9, 10, 13 and 14 shall read as follows:—

Section 9. The Board of Health shall be paid in full for the services of all its members the sum of six hundred dollars per annum, payable annually, which sum shall be divided among the members as follows:— To the member from Laconia proper, four hundred dollars; to the member from Lakeport, one hundred and seventy-five dollars; and to the member from the Weirs, twenty-five dollars.

Section 10. The Board of Assessors shall be paid in full for the services of all its members the sum of two thousand dollars per annum, payable semi-annually. Their services to include the assessment of taxes and taking the enrollment.

Section 13. The moderator of each ward, each of the selectmen of each ward, and the clerk of each ward shall receive in full for his services compensation at the rate of four dollars per day, for each day's services when attending elections, and for services when attending to the posting of warrants, drawing jurors and revising the jury list at the rate of one dollar per service, each to be paid at the expiration of his official term.

Section 14. Each member of the Board of Supervisors and each election inspector shall receive in full for his services compensation at the rate of four dollars per day for each day's services when attending to their duties, each to be paid after each election at which their services are rendered.

Section 2. This ordinance shall take effect from and after April 1, 1920.

Passed and approved June 29, 1920.

JOHN A. MITCHELL,
Mayor.

Department Reports

TWENTIETH ANNUAL REPORT OF BOARD OF PUBLIC WORKS

Laconia, N. H., Feb. 15th, 1921.

To the Honorable Mayor and City Council:—

We would hereby submit for your consideration the twentieth annual report of the Board of Public Works, together with the detail reports and recommendations of the City Engineer, Street Commissioner and Superintendent of Sewers.

We would acknowledge the hearty co-operation and advice of your honorable body in the various matters about which we have consulted during the year past.

With other communities we have suffered from the prevailing unsettled conditions, and trying situations have at times handicapped the work seriously, still we are able to report that routine maintenance work has been carried on very satisfactorily and in addition considerable work of a permanent nature accomplished.

The work of constructing the Federal Aid Project No. 27 on the Weirs boulevard was completed, and the same approved by Federal Government inspection. The Government assisted in financing the work, contributing on the basis of the estimated cost as much as the State and City combined.

There remains to be surfaced from the end of this project near the J. B. F. Bell cottage about nine-tenths of a mile to the beginning of the stone road at the corner of Lake Street, but as it will be impossible to obtain State and Federal Aid for construction during 1921, and as there is a probability that Federal Aid may be obtained in 1922 or 1923 it is our opinion that construction

important as it is, should not be attempted this year.

The completion of Canal Street improvement, work commenced on Academy Street, Elm Street pavement, Gold Street foot bridge, North Main Street guard rail, several new surface drains and extensions was special work taken care of.

We have purchased during the year a new Federal motor truck which has given very good service and a new scarifier attachment to road roller and a set of steel concrete curb forms.

We would renew our recommendation of last year relative to the purchase of a new portable crushing and screening outfit and also a power wagon loader which would enable us to handle crushed stone and gravel to advantage; many of our streets that suffer so much from surface mud during rainy periods could be treated with a proper grade of gravel, which it is now expensive to obtain.

We would earnestly renew our request for special consideration of the bridge situation.

Upon recommendation of the Street Commissioner we have recently posted the Main St. bridge as unsafe for loads exceeding six tons in weight.

It seems to us that the old wooden structure on a principal business street of the city should be replaced with a modern structure of a permanent type, safe to carry any load that would be likely to be placed upon it by heavy traffic. The matter of the widening of the waterway at the Davis Place bridge is a real need and should be provided for, if possible, before the damage an extreme flood might produce here renders necessary an additional outlay.

At such a time as it is felt that financial conditions will permit, we would recommend the macadamizing of South Main Street to Garfield Street, Messer Street, entire length, Gilford Avenue to Highland Street,

Franklin Square, and Elm Street. These all are projects which should be undertaken.

In view of the fact that we are not likely to have much state road work to do the coming season, except the reshaping and resurfacing of Union Avenue from Stark Street to Black Brook Bridge, which we hope to do in conjunction with the State under Trunk Line Maintenance, and the completion of the Academy Street work, already provided for, we will doubtless have opportunity and facilities for constructing one or more of the suggested projects provided an appropriation is forthcoming.

We recommend the following appropriations:—

Bridge Repairs	\$1,500.00
Cleaning Streets	4,000.00
Cleaning Catch Basins	1,300.00
Scavenger Service	7,000.00
Cutting trees, brush, etc.	600.00
Drain Repairs & Maintenance	2,000.00
Insurance, etc.	400.00
Maintenance Macadam	5,500.00
Repair buildings	300.00
Sanding Sidewalks	800.00
Winter Expenses	6,000.00
Purchase Crushing Plant	5,000.00
General Repairs & Maintenance	12,000.00

\$46,400.00

City Engineering	1,300.00
Recovering Sidewalks	2,000.00
Sewer Maintenance	2,500.00

*State Road Maintenance	5,350.00
Sprinkling & Oiling	5,000.00
	<hr/>
	\$16,150.00

*Includes resurfacing North of Stark Street.

J. HENRY STORY,
HARRY L. SMITH,
LEW K. PERLEY,

Board of Public Works.

REPORT OF SUPERINTENDENT OF STREETS

To the Board of Public Works:

GENTLEMEN:—I wish to present the following as the report of the Street Department for the year ending February 15, 1921.

The amount expended for the year 1920-21 is \$103,178.80 and it is itemized under the following headings:—

1	Academy Street Improvement		\$5,186.65
2	Bridges		
	Gold St. Footbridge	\$1,152.89	
	Elm St. Railing	72.08	
	Miscellaneous Repairs	199.86	1,424.83
3	Canal St. Improvement (\$7,833.52 spent 1919)		4,910.30
4	Cleaning Streets		4,006.69
5	Cleaning Catch Basins		1,342.14
6	Collection of Ashes & Waste		7,082.52
7	Cutting Trees, brush, grass		635.97
8	Davis Place Improvement		1,352.95
9	Drains		
	Grant St.	518.10	
	High St.	1,193.00	
	Lakeside Ave. (Extension)	220.41	
	Messer St. Yard	129.76	
	Summer St. (Extension)	591.29	
	Strafford St. (Extension)	70.61	
	Union Ave. (Car Barn)	213.83	
	Union Ave. (Clark Ave.)	2,348.85	
	Union Ave. (Piper's)	786.44	

	Winnicoash St.	351.99	
	Repairs and Maintenance		
	(Miscellaneous)	2,235.64	8,659.92
10	Elm Street Pavement		997.50
11	Maintainance Bituminous Macadam		2,143.64
12	North Main St. Railing		625.05
13	Pine St. Extension		178.65
14	Repairs to Dept. Buildings:		
	Messer St. Yard	405.08	
	Pear St., Water St. & Union Ave. Yards	747.74	1,152.82
15	Sanding Sidewalks		649.79
16	Sidewalk Construction:		
	Grant St.	418.67	
	Highland St. North	352.24	
	Highland St. South	675.69	
	Union Ave. north of Clark Ave.	276.66	
	Union Ave. south of Clark Ave.	216.03	
	Recovering Sidewalks	2,000.00	3,939.29
17	State Road Construction		19,403.64
18	State Road Maintenance		3,744.30
19	Street Sprinkling and Oiling		5,919.15
20	Winter Expenses	*	12,119.20
21	General Repairs and Maintenance		17,703.80
Total			<hr/> \$103,178.80
ACADEMY STREET IMPROVEMENT			

An appropriation of \$18,000 was made for the improvement of Academy Street and considerable work was done on this project, consisting of drain repairs and installation of about 2,000 feet of concrete curbing. No pavement was laid owing to the fact that equipment and personelle were tied up on the construction of the State Road on the Weirs Boulevard, so called. There remains to be done about 1,000 ft. of the curbing, grading, and laying about 6,500 sq. yds. of bituminous macadam pavement.

BRIDGES

The following table gives in a general way the condition of all city bridges of a span of 10 ft. or more.

No.	Name	Span	Material	Condition	Remarks
1	Academy St.	15.5ft	Concrete	Excellent	Durkee Brook
2	Church St.	150.0 "	Wood	Fair	Winn. River
3	Court St.	15.0 "	Concrete	Excellent	Durkee Brook
4	Davis Place	15.0 "	Concrete	Excellent	Jewett Brook
5	Elm St.	232.0 "	Concrete	Excellent	Winn. River
6	Fair St.	201.0 "	Wood	Fair	Winn. River
7	Garfield St.	10.0 "	Concrete	Excellent	Durkee Brook
8	Gold St.	145.0 "	Steel, wood	Excellent	Footb'dge over Winn. River
9	Highland St.	25.0 "	Concrete	Excellent	Jewett Brook
10	Main St.	71.0 "	Wood	Very Poor	Winn. River
11	Messer St.	100.0 "	Wood	Poor	Winn. River
12	Mill St. No. 1	36.0 "	Concrete	Excellent	Power Canal
13	Mill St. No. 2	128.0 "	Wood	Fair	Winn. River
14	Union Av. No 1	19.0 "	Concrete	Excellent	Jewett Brook
15	Union Av. No 2	13.0 "	Concrete	Excellent	Black Brook
16	Weirs	100.0 "	Steel	Good	Winn. River

The small wooden bridge on Davis Place was removed and the waterway filled, in connection with the improvement of Davis Place.

I must again call attention to the absolute necessity of widening the waterway at the Davis Place bridge over Jewett Brook. The channel improvement made by the Scott & Williams Co. above this bridge causes a greater amount of flow through this waterway and in a time of extreme flood it is probable that the opening will not carry all the water. Undermining the abutments will result in the collapse of the bridge, if this emergency occurs.

The old wooden bridge at Gold Street discontinued for several years, was removed and a suitable foot bridge built on the steel trusses carrying sewer, water and gas pipes across the river.

The Main Street bridge is in a very poor condition and should be replaced at once with a reinforced concrete structure.

CANAL STREET IMPROVEMENT.

Canal Street was completed by the installation of catch basins, curbing, sidewalks, and the laying of 1,087 square yards of bituminous concrete pavement on a broken stone base.

Enroaching buildings were moved or cut off and the abutting premises were put in a condition satisfactory to the owners.

The price of land acquired by the city by reason of the construction of Perley Canal was sold for \$3,550 so that the complete cost of the project to the city was: land damage, \$3,141.51; cost of construction of Perley Canal and street, \$12,743.82; total, \$15,885.33 less \$3,550 from sale of land, \$12,335.33.

As a result of this expenditure we have an improved business street, no bridge to build and maintain on Beacon Street, and a valuable piece of real estate added to the taxable property of the city.

COLLECTION OF ASHES AND WASTE.

The collection of ashes and waste amounted to 5,477 cubic yards, and the same was disposed of at a cost of \$1.29 per cubic yard.

SURFACE WATER DRAINS.

A drain was built from the junction of Grant and Lincoln Streets to Durkee Brook, through a right of way obtained across private land.

A drain on High Street was built from Highland Street drain to Beaman Street, with a branch in Rowell Street.

The drain on Lakeside Avenue at the Weirs was extended to Foster Avenue.

The drain on Summer Street was extended.

A portion of the drain on Union Avenue at the Car

Barn was repaired by placing iron pipe under the tracks of the Street Railway and the drain extended through private land.

A drain was built on Union Avenue, near Clark Avenue, and extended through a right of way across private land, and the Lake Shore R. R. to Lake Paugus.

A branch of the Gale Avenue drain was built in Winnicoash Street to care for a large flow of surface water in this section.

A great deal of work was done in the way of repairs, building new catch basins and removing dirt and roots from existing drains.

By agreement with abutting owners we have cut out many Carolina Poplars which were clogging and destroying drains and sewers.

There is an order of the City Council and Board of Public Works which prohibits the setting of trees in public streets except by permit of the Board, and it is hoped that no more poplar trees will be planted in city streets.

It is strongly urged that appropriations be made for the construction of drains as follows:

Gilbert Brook improvement with branch drains through Jolliet, Baldwin, Lovell and Merrimac Streets.

Walker Street from Union Avenue to Lyman Street.

Spring Street drain should be extended about five hundred feet to take the drainage from the street and hospital land.

There is a great need of a drain on Appleton and Sheridan Streets.

A drain should be built on North Main and Oak Streets from the main drain at Tremont Street to the junction of Oak and McGrath Streets.

This drain would cut off the greater portion of water now running onto the Perley field and Opechee Park, and much reduce the cost of the proposed Park drain.

ELM STREET PAVEMENT.

The Elm Street pavement was extended in Franklin Square by the addition of 680 square yards of bituminous concrete on a broken stone base.

MAINTENANCE BITUMINOUS MACADAM.

The cost of maintaining 77,315 square yards of bituminous macadam built previous to 1920, exclusive of state roads, was \$2,143.64, or 2.8 cents per square yard.

This is an exceptionally low cost and it was due to climatic conditions through the winter and spring of 1920.

A heavy blanket of snow protected the pavement from surface freezing and thawing and limited the use of motor trucks. The winter of 1921 is so open that the conditions are such that it is probable much expenditure will be required to put these pavements in repair.

REPAIRS TO DEPARTMENT BUILDINGS.

It was found necessary to spend a considerable amount on repairs to the department's stables and storage buildings, especially on roofs which developed serious leaks and in painting the Water Street buildings.

Alterations were made in the Messer Street building to provide a workshop and equipment storage facilities.

A garage for storage and repair of motor vehicles is fast becoming a necessity.

SIDEWALKS.

Sidewalks were built as follows: Grant Street, crushed stone; Highland Street from Winter Street to Jewett Brook, crushed stone; Highland Street near Pine Street, retaining wall and grading; Union Avenue, south of Clark Avenue, tar concrete. 2,586 square yards of old tar concrete work was repaired and recovered.

The practice of driving teams and auto vehicles on sidewalks is unlawful, and besides being annoying and dangerous to the public, it is very destructive to any type of sidewalk. The lawns and grass plots between sidewalks and the travelled part of streets is a part of the sidewalk and should not be driven over and destroyed by vehicles. In many places these lawns were constructed at considerable expense, to beautify the city, and their injury and destruction by heedless or indifferent drivers should be frowned upon by every citizen interested in the appearance of our city.

STATE ROAD CONSTRUCTION AND MAINTENANCE.

The amount expended for maintaining state roads in this city was \$3,744.30 and the balance of this fund was used in the construction account.

Under the head of construction, \$19,403.64 was expended in completing Federal Aid Project No. 27 on the Weirs Boulevard. This work consisted of grading and laying 14,574 square yards of asphaltic macadam.

The original appropriation of \$30,000 for this project was insufficient on account of the increased cost of labor and materials and the sum of \$3,269.48 was needed to complete the project, one half of which was provided by the State Highway Department.

There remains nine-tenths of a mile to be graded and surfaced to connect the paved road to the south and on the basis of the cost of Project No. 27 it would cost about \$23,000 to complete this section.

That portion of the state road from Stark Street to Black Brook, built of water bound macadam in 1908, should be reshaped, widened and surfaced with bituminous macadam. I estimate the cost of this improvement to be \$8,211.00, one-half of which would be borne by the State Highway Department.

STREET SPRINKLING AND OILING.

The use of horse drawn sprinklers was discontinued and their work was done by a motor sprinkler assembled by this department. One of the old sprinkling tanks, with sprays, was mounted on a Nash Quad two ton truck and arranged so that the driver of the truck could manipulate the sprinkling levers.

This apparatus, while not ideal, did the work of three sprinkling carts satisfactorily.

About 20,000 gallons of road oil was applied, as a dust layer, in addition to the water sprinkling.

WINTER EXPENSES.

The extreme winter of 1920 added a great deal to the amount of this item and taxed the resources of this department. The men and horses worked nights, days and Sundays for several weeks and all, especially the horses, were about exhausted.

Great credit is due the foremen and men of this department for the successful battle they waged against snow and ice, and credit is due the great majority of our citizens who appreciated the situation and did not find fault but praised the efforts of the department.

GENERAL.

There was spent about \$6,200 for new equipment, such as scarifier attachment to road roller, truck with special dump body, steel forms for cement curbing, etc.

New equipment is needed, such as the portable crushing plant and wagon loader mentioned in last report.

As it is probable that no funds will be available for state road construction during the season of 1921, it is recommended that funds be provided for laying bituminous macadam on some of our city streets where it is badly needed.

I would particularly call attention to the following streets: South Main Street from Bowman Street to Garfield Street; Bowman Street from Court Street to South Main Street; Messer Street from Church Street to the bridge; Depot Square, in part; Gilford Avenue from Union Avenue to Highland Street; Elm Street from Franklin Square to Fairmont Street, and Franklin Square.

Respectfully submitted,

CHAS. A. FRENCH,

Superintendent of Streets.

REPORT OF CITY ENGINEER

To the Board of Public Works:

GENTLEMEN:—This department has attended to all the work assigned to it the past year, such as street layouts and establishment of grades for the same.

Surveys, plans, and estimates have been made for the construction projects which have been undertaken or proposed.

Plans and estimates are now being made for a reinforced concrete bridge to take the place of the present wooden bridge on Main Street.

Search has been made through the records of Town of Meredith for layouts of streets and highways which are located in that part of Laconia which was originally a part of the town of Meredith, and a certified copy of such records as apply to Laconia has been made and filed with the City Clerk.

Respectfully submitted,

CHAS. A. FRENCH,
City Engineer.

REPORT OF SUPERINTENDENT OF SEWERS

To the Board of Public Works:

GENTLEMEN:—The only sewers constructed during 1920 was an extension of the Orchard Street sewer, consisting of 185 feet of six-inch pipe and one lamphole. The lamphole at Station 14 + 99 Spring Street was changed to a manhole.

There has been very little sewer construction for several years, although petitions have been received for extensions and new sewers. The price and scarcity of labor and materials has operated to curtail new work but it would seem that the time has come for the construction of the most necessary additions.

The flushing and cleaning of all sewers was carefully attended to and the entire system is in good condition.

PLUMBING.

This department issued 102 permits for plumbing work during the year and each of these jobs was inspected and tested as required by law.

REPORT OF PARK COMMISSION

LACONIA, N. H., Feb. 1, 1921.

To the Mayor and Council of the City of Laconia:

GENTLEMEN:—The annual report of the park commission is again presented to your honorable body for consideration.

A report from a commission without available funds at its command would mean, logically, a report dealing rather more with recommendations than accomplishments, and yet, at the same time, a hearty, cordial cooperation and singleness of purpose between this commission, your honorable body, and the Board of Public Works, could, with the background which nature has given us, easily make Laconia the most beautiful city in New Hampshire, and that at very little expense. A tree planted where needed, a bit of unimproved land, beautified, a thousand and one little things done, bit by bit, would bring our city up to the standards of other cities, and would prove to coming generations that their forefathers were men of vision.

At Leavitt Park which has an assured income, something has been accomplished, although much less than would have been done, were prices and labor normal; as it is, those who remember the condition of the south end of this park when it was turned over to the commission some years ago, cannot fail to note the improvement. In the fall, the land which has been used for gardens for the past few years, was seeded down and gives promise of beauty for the coming summer.

A portion of the grounds was used as in previous years for a playground and a six weeks session under the supervision of Mr. Maurice Heald, a Springfield College man, was held to the satisfaction of all. From

the money received from the horsemen, \$25.00 was given to the Leavitt Park playground committee, for the addition of new apparatus and the repairs on the old; from this sum, \$2.65 was returned to the commission by the chairman, Mrs. Hollis Perkins.

At Opeeche Park, a session of ten weeks was held as usual, and at both playgrounds the attendance was fully up to that of previous years, and the general excellence of the work maintained. Mr. W. P. Beroth a Springfield Y. M. C. A. man, was the director, assisted by Miss Dorothy Flanders of this city, who had charge of the girls. With the use of some of the money contributed by the horsemen, tools sufficient for the carrying on of the manual arts work were purchased at the beginning of the season, and were in constant use.

As in previous years, the commission is indebted to Mr. W. E. Dunlap who, in behalf of the association using the racing track, contributed \$40.68 for last season, thus enabling the commission to do some things which otherwise would have remained undone.

Your honorable body has paid the few bills the commission has contracted from its fund for miscellaneous expenses but a commission without an appropriation except for the expenses of the playground has a very limited field of action.

We respectfully call your attention to the fact that a plan already made for Opeechee Park is still before you, but we are unable to carry out any of its provisions until an appropriation is made.

The time is near at hand when Opeechee Park will be the only place where an outdoor exhibition of any kind can be held in the City, and it is the unanimous opinion of the Park Commission that if some ordinance could be legally passed whereby a portion of this park could be let for such purposes under proper restrictions, a considerable revenue would accrue which could be applied to the improvement of the park.

We realize that every department of the city is in need of more funds to carry on their work and that you will be called upon to decide what appropriations should be increased in order to produce the best results without an undue burden on the tax payers.

- We would therefore recommend that the appropriation for playground purposes be increased \$100.00, and respectfully ask you to consider this, together with the other recommendations of this commission.

Respectfully submitted,

CHARLES H. PERKINS,
ALFRED C. WYATT,
CORA F. HAYWARD,
ALICE S. HARRIMAN,
FRED L. ROLLINS,
Park Commission,

FIRE DEPARTMENT

REPORT OF THE CHIEF.

To the Honorable Mayor and City Council:

I have the honor of submitting for your consideration the annual report of the condition and operation of the Fire Department for the year ending, February 15, 1921.

During the past year the department responded to 87 still alarms and thirty-four box alarms.

The fire loss paid during the year was \$12,505.53, the smallest fire loss paid in Laconia for a long time. The value of property endangered by fire was \$117,800.00.

RECOMMENDATIONS

I would recommend that a motor fire wagon be purchased for the company at Lakeport, and a light hose wagon be purchased for the Laconia Fire Station, to respond to chimney fires, also an appropriation be made to paint the Hook and Ladder truck at the Central Fire Station, and the Hook and Ladder Company at Lakeport to have their apparatus motorized and put in shape to enable them to respond to fires.

The several companies have a full quota of men and the personnel of the Department is first class.

Respectfully,

ARTHUR W. SPRING,
Chief of the Fire Department.

RECORD OF FIRES DURING THE PAST YEAR

1920

January 19, Box 57. Fire in Tibbetts block. Used 200 feet.

January 22, Box 79. Scott & Williams Machine Shop. Used 500 feet hose.

January 23, Box 54. Fire in smoke house owned by P. E. Morin. Fire loss \$100.00.

January 25, Box 47. J. Covey's house, Jackson Street. Used 800 feet hose.

January 29, Box 67. Fire in Armory, Court Street. Damage, \$150.00. Used 1,150 feet hose.

February 1, Box 52. Fire at William Morrisette's. Used 600 feet hose.

March 4, Box 27. At 3:20 p. m., call for help of W. Lougee. Electrocuted on an electric light pole.

March 22, Box 23. Time 1:10 p. m., fire in Malleable Foundry. Used 500 feet hose. Damage, \$1,000.00.

March 23, 3, 3, 3. Fire in roof of Dame's Tin Shop. Damage slight.

April 15, Box 4. Fire in Grey Iron foundry.

April 19, Box 77. Time 4:35 p. m., Crane's house, Lakeport. Used 900 feet hose.

April 20, Box 58. Cross wire on Avery Street.

April 20, Box 71. Grass fire back of stone crusher.

April 26, 3, 3, 3. Brush fire, Pine Hill.

May 6, Box 72. Brush fire Clow's field.

May 8, Box 67. Gasoline tank caught fire, Court Street.

May 16, 3, 3, 3. Forest fire up in Town, Mathes and Perley's lumber lot.

May 16, 3, 3, 3. Brush fire up on the parade. No damage.

May 27, Box 25. Baldi block. No damage.

June 4, Box 73. Time 1:10 a. m., fire on roof of house at No. 2 Moulton Street. Damage, \$300.00.

June 12, Box 23. Fire on roof of house at No. 112 Water Street. Damage to building, \$400.00.

June 23, Box 54. Fire at No. 15 Howard Street. Damage \$100.00. Used 650 feet of fire hose.

June 25, 3, 3, 3. Camp on the Weirs Boulevard. McMellins Camp. Loss \$2,000.00. Used 1,200 feet fire hose.

June 26, Box 57. Time 2:15 a. m., fire on Massachusetts auto. Owner G. S. Smith, Boston. Used chemical. Loss \$450.00.

July 5, Box 48. Time 10 a. m., fire at J. F. Fitzgerald house, 165 Oak Street. Damage \$300.00.

July 24, Box 73. Time 10:54 a. m., chimney fire at 639 Union Avenue.

July 27, 3, 3, 3. John Whelan's Camp on the shore of Lake Winnisquam. Damage \$75.00.

August 13, Box 67. At 11 a. m., auto tank exploded on Court Street.

August 26, 3, 3, 3. Time 9:40, brush fire in Sanborn-ton. Used chemicals.

September 27, Box 46. 11:45 a. m., false alarm.

October 1, 3, 3, 3. G. W. Wright's cottage on Weirs road. Total loss.

October 20, 3, 3, 3. 1:15 a. m., Martin Cole's cider mill. Total loss.

November 11, Box, 53. 10:20 a. m., E. Dean's house, 106 Beacon Street. Used 2,200 feet hose. Loss \$3,300.00. Insurance paid.

December 23, Box 61. 4:35 p. m., tool house in field. \$300.00. Insurance paid.

SIGNALS.

1—Test signal which is struck every day at 12.30.

2—Given after an alarm denotes "fire out."

Three blasts of the whistle or strokes of the bell at 8 a. m., and 1 p. m., dismiss grades ones, two, three and four.

Six blasts, separated into threes, dismiss all grades, including high school.

4—Companies not answering first alarm, dismissed.

5—Second alarm.

7—Third alarm.

15—Militia call to armory.

DIRECTIONS FOR GIVING AN ALARM.

To open the box break the glass and turn the key. In each box there is a small bell called a telltale, designated expressly for the purpose of informing you whether an alarm is being transmitted the instant you open the door.

Open the box and if this bell is not heard, pull down the hook the whole length of the slot once only and let go. But if this bell should be heard, it would indicate that another box had been pulled and it would be useless to attempt to pull another until the one already pulled had performed its mission. Unless your presence is most urgently required at the scene of the fire, remain at the box to direct the department.

Never open the box or touch anything pertaining to it except in case of fire.

Never give an alarm for a fire seen at a distance.

Be reasonably sure that there is a fire before giving an alarm.

Never give an alarm for a chimney fire unless there is imminent danger of the building catching.

The fire alarm system is under the direction of the Chief Engineer.

REPORT OF SUPERINTENDENT OF FIRE ALARM TELEGRAPH

Our fire alarm system should be improved during the coming year. New boxes should be installed, the switch board, repeater, strikers and electrical equipment should be overhauled and new parts must be added. We have twenty boxes which are over 27 years old. Also the repeater and other parts of the fire alarm system must be repaired. New wiring and cross arms have been added the past year. I look forward to be able to make extensive improvements this year on this very important part of our system.

Respectfully submitted,

ARTHUR W. SPRING.

REPORT OF TREE WARDEN

To His Honor, the Mayor and City Council:

I would recommend that \$1,000.00 be appropriated this year for Trimming and taking Care of Trees. During the past year I have trimmed and pruned trees on Academy Street, also on Court and Fair Streets, Messer, Pleasant and Union Avenue. The trees at the Lakeport end of the city should receive some attention this year. Several dead trees were taken down and given away for the cutting of same. The cutting out of dead wood will eliminate and help to exterminate the gypsy moths.

ARTHUR W. SPRING,
Tree Warden.

LACONIA PUBLIC LIBRARY

REPORT OF THE TRUSTEES.

To the Honorable Mayor and City Council of Laconia:

The undersigned, trustees of the Laconia Public Library, herewith transmit to you the reports of the librarian and treasurer of the public library for the year ending December 31, 1920, on the part of the librarian, and for the year ending February 15, 1921, on the part of the treasurer, and respectfully submit them as covering very fully all matters pertaining to the library and its expenditures.

We respectfully recommend that the sum of \$5,000.00 be appropriated for the library for the ensuing year.

JOHN T. BUSIEL,
JOHN S. GILMAN,
WILLIAM F. KNIGHT,

CITY SOLICITOR'S REPORT

To the Honorable Mayor and City Council:

I have the honor to submit my report as City Solicitor of Laconia. During the year last past, the City has been entirely free from any new litigation and the City has not been named as defendant in any action nor have any suits been instituted by the City. At the October, 1920, Term of the Superior Court for Belknap County the Equity case of Claribel Clark vs City of Laconia was dismissed without prejudice. At the same Term the case of E. P. Thompson vs Laconia, being an appeal from a layout of a highway known as Cook's Court, and the case of G. H. Tilton & Son vs Laconia, being another appeal from a layout of a highway still remained unadjusted but are being given careful attention. During the past year I have attended to the legal services of the City in the matter of preparing opinions for the various City Departments and have made all necessary legal papers in relation to the same. Several ordinances have also been drawn. A great many legal questions have arisen during the past year which have also been attended to. Much time has been spent in carrying on and adjusting criminal cases in the Municipal Court in matters which concerned the welfare of the City. All cases which have been submitted to the Law Department have received careful attention.

Respectfully submitted,

THEO STEPHEN JEWETT,
City Solicitor.

POLICE DEPARTMENT

REPORT OF POLICE COMMISSION

To the Honorable Mayor and City Council:

We respectfully submit herewith the report of the City Marshal for the year ending Jan. 31, 1921.

ELMER S. TILTON,
RUFUS P. DOW,
JOHN M. GUAY,

Police Commission.

Oscar J. George, treasurer, cash.....	1,136.03
Oscar J. George, cash held as bonds.....	500.00
	<hr/>
	\$2,226.80

Respectfully submitted,

EARL FLANDERS,

Clerk.

OVERSEERS OF THE POOR

To the Honorable Mayor and Members of the City Council:

We respectfully submit our report as overseers of the poor for the year ending February 15, 1921.

All applications for aid to this department have been carefully investigated and where necessity demanded assistance has been rendered.

There are several families who require their entire sustenance from the City, the head of the family having been taken away during the influenza epidemic.

During the past year the expense of our department has been \$651.11 less than the previous year; but the present conditions of unemployment with several new families applying for aid would seem to foretell a larger expenditure this coming year and we respectfully recommend that the sum of \$4,500 be appropriated for support of poor for the coming year.

Respectfully submitted,

WILLIAM F. SANBORN,
for Wards 2, 3, 4 and 5.
OSCAR A. FLANDERS,
for Wards 1, and 6.

BOARD OF HEALTH

Annual Report of the City Board of Health for the year 1920.

To the Honorable Mayor and City Council of the City of Laconia:

The following is a list of the communicable diseases for the past year:

Scarlet fever, 1 death	49
Measles	5
Diphtheria	3
Chicken pox	7
Typhoid fever	1
Whooping cough, (estimated)	350
Complaints investigated	101
Slaughter houses without license	2
Insanitary houses	14
Bad sink drains and cess pools	21
Animals buried	4
Miscellaneous complaints.....	67
Houses fumigated	43
Sewer connections	19
Total births	274
Total deaths	211

Some criticism of our milk supply is often heard. I want to say that Laconia's milk supply is as good as the average milk throughout the state, both in quality and in freedom from dirt or bacteria. All milk is examined occasionally for adulteration and bacteria, and has been, with one exception, free from adulteration, and as low in bacteria count as the average milk in the state. For those who want pure, clean milk, we have two milk farms which are licensed by the State

of New Hampshire, who furnish caps marked "Inspected Milk." This milk is produced under strict supervision of the New Hampshire and local boards of health, and is of an unusually good quality, from clean cows, kept in well ventilated barns, cooled and kept cool in summer, and not allowed to freeze in winter. The cows are tested for tuberculosis every year by a veterinarian approved by the state board of health. There are 17 milkmen who are accepting the requirements in the state, two of which are in Laconia. Of course, this milk costs more to produce, and the retail price is correspondingly high.

We now have a public health nurse. Through the efforts of the Civic Committee of the Laconia Woman's Club, Mrs. Oscar L. Young, chairman, the city council voted \$1800 as the maintenance of a public health nurse for one year. The mayor, Mrs. Oscar L. Young, and W. H. True were appointed a committee to procure a suitable nurse and office. Miss Katherine Roach of Laconia was selected. Miss Roach's salary is \$1500 a year. She has a desk and telephone at the Public Rest Room on South Main street. The plan under which she works is that she is on duty from 8 a. m. to 5 p. m., week days. She makes no charge for services, but can take pay when offered, and has taken for individual visits from 25 cents to \$2.00. This helps out on supplies and carfare. Should any remain, it would go toward her salary. She will make visits anywhere in the city limits to give bedside nursing, not over one hour in each house, assist doctors in doing minor surgical operations, and in changing dressings. She reports children, families, and homes which are in an insanitary condition to the proper authorities; the needy to the overseer of the poor; contagious diseases to the board of health; diseases without means to the city or county physician; neglected children to the child welfare officer. She furnishes suggestions and instructions as

to keeping the home and food in a sanitary condition, and instruction to pregnant mothers as to their own health and the care of the baby. She is told to give poor and needy families the preference, but when she has extra time no call will be refused. That Miss Roach is doing a great work well is the opinion of your committee and the people she has served. Following is a report of the visits Miss Roach has made since June 3, when she commenced her services, up to and including Jan. 31; number of visits 1202, consisting of:

Medical	498
Surgical	343
Prenatal	75
Maternity	146
Home visits	140

RECEIPTS

June	\$21.45
July	62.70
August	33.50
September	47.00
October	39.00
November	32.00
December	53.00

Laconia is again fortunate. Since October 25 we have had the advantage of a trained and experienced tuberculosis nurse, Miss Marion Garland. This work is supported by the New Hampshire Tuberculosis Society, Laconia only having to furnish desk room and a place to hold the examining clinics. At present Miss Garland's headquarters is at the Chamber of Commerce. A clinic is held monthly at Moose hall in the Harri-man Block, South Main Street. Miss Garland looks up suspicious cases, encouraging them to go to the clinic, where they are examined by specialists and classified, and infected cases advised as to their care and the pro-

tection of others. Tubercular cases are then followed up by Miss Garland. The following is a record of the clinics up to the present time:

People examined	257
Suspicious cases	42
Incipient	22
Moderately advanced	11
Far advanced	1
Arrested	2

Miss Garland, who is doing a great work for our city, should be helped and encouraged in every possible way.

Respectfully submitted,

J. A. WRISLEY,
 FRED C. MOORE,
 W. H. TRUE,
Laconia Board of Health.
 W. H. TRUE, M. D.,
Secretary.

AUDITOR'S REPORT

Laconia, N. H.

*To the Honorable Mayor and Council of the City of
Laconia*

I have examined and checked the books and accounts of the City Clerk, City Treasurer, Collector of Taxes, Board of Public Works and Treasurer of the Public Library and found them correctly balanced and properly vouched; also I have checked the securities held in trust by the City Treasurer and Treasurer of the Public Library and found them to agree with the lists.

At this time I wish to express my appreciation for all courtesies shown me and the ready assistance given by the various officials during my examination.

Respectfully submitted,

March 21, 1921.

N. JOY HARRIMAN,
City Auditor.

SUMMARY OF VITAL STATISTICS.

Number of births	270
Number of births not previously recorded	12
Number of marriages	175
Number of deaths	197
Number of deaths occurring at Belknap county farm	12
Number of bodies brought here for burial	47

Efforts have been made to make the records of vital statistics correct as possible. Should any error or omission be detected, the City Clerk will appreciate the kindness conferred by being informed of the same, that the records of the city may be made right.

EARL FLANDERS,
City Clerk.
